

### **Basic idea:**

You can get 2 free tickets if you organise a group cycle ride to Nozstock with a minimum of 5 other people, and there will be some free drinks and Nozstock goodies available for all the members of your group.

### **Description:**

If you are interested in cycling to Nozstock, why not take on the Nozstock Cycle Challenge? Get in contact and we can help you organise a group cycle journey to receive 2 free tickets, and avoid those pesky car park charges!

You will need to be an experienced cyclist, and it would help if you had cycle leaders experience or qualification. You will be responsible for the health and safety of your team, and the Participants should fill in an entry form stating any health problems etc.

Nozstock will create a Facebook post for you so you can advertise for others if you haven't got enough people initially.

We will supply high-vis cycle jackets, and may be able to help transport luggage, depending on your starting location.

Your start place must be at least 10 miles from the festival site, which will be agreed in advance, and we will need photographic evidence of your group at the start location and regular photos during your trip.

On arrival, you will be met to receive your free ticket(s) and prizes for your team.

There is secure cycle parking on site, however everyone will need to bring their own locks make sure their bikes are insured to the appropriate level as we can accept no responsibility for theft or damage.
